Component	Description
Assessment Resources	
Online Assessments Every assessment is also reproduced, with answers, at the end of every magazine section in the Teacher's Guide and available as a printable PDF to be completed on paper.	Assessment questions are identified by Depth of Knowledge (DOK) levels and have full audio support. All assessments for the program reside in the online resources for the teacher. Assessments provide automatic scoring and reporting for immediate feedback.
Informal Assessment	Each lesson, or spread, includes Assess, a quick question to check students' understanding of what they just learned.
Magazine Assessment	Each Student Magazine includes a formal assessment covering the magazine's content.
Benchmark Assessment	Four Benchmark Assessments per grade level can be given quarterly.
Additional Resources	
Ed, the HMH Learning Platform Ed is an intuitive, approachable environment that personalizes education. Ed is designed to be a friend to learners while supporting teachers and simplifying instructional practice. From the Dashboard, view a snapshot of the latest class activity with easy access to content, assignments, and data.	New online learning system that combines the best of technology, HMH® content, and instruction to personalize the teaching and learning experience for every teacher and student.

Component	Description
Featured Sites	<p>HMHintheNews.com provides trustworthy articles and connects students to current events. Articles are grouped by subject-specific information and enrich the classroom by inspiring and encouraging students to become active and informed citizens.</p> <p>HMHfyi provides extended reading on social studies topics, such as community, people to know, and history, as well as tips for reading information text.</p>
Media Explorations	Media Explorations engage students with age-appropriate videos from HMH's Curious World® and HISTORY®.
HMH Go™	Using the <i>HMH Go</i> app, students can download content and read it offline.
Common Cartridge®	Common Cartridge provides educational organizations the ability to use HMH content within their existing Learning Management System (LMS) instead of through our proprietary online learning systems. HMH Common Cartridge content complies with the IMS Global Learning Consortium standards, resulting in seamless, stable access to HMH content in the same way they access other district content.
Professional Learning Getting Started Courses (online, in-person, or via webinar) *35 teachers per session	Implementation will begin with a <i>Getting Started with Into Social Studies</i> course which will orient you to the resources from both a teacher and student perspective.

into Social Studies™
